Cut-to-Length PVC Shower Pan Liner

Pick-up-and-go pan liner in sizes that configure to today's common shower sizes. The PVC pan liner pairs up perfectly with Noble Company's PRO-SLOPE™ (pre-slope) products as well as its clamping ring drains.

Features:

- PVC shower pan liner for full mortar bed installations
- Pre-cut to three standard sizes (5'x6', 5'x8', 6'x10')
- Supplied in a poly-bag to protect the product during handling
- Contains recycled PVC material
- 5-year product warranty
- ASTM D4551
- IAPMO listing: UPC File No. 3577
