Pre-Waterproofed Multi-Slope Shower Base

ProBase II Multi-Slope Base (kit and ala-carte) is now available with ValueSeal waterproofing applied, reducing installation time and increasing flexibility.

Base is designed to provide a smooth transition to Noble Company's Freestyle Thin-Bed Drain™.

BENEFITS

- Multi-Directional slope meets industry-required 2% slope-to-drain
- Honeycomb Composite base has superior impact resistance; 3 to 6 times stronger than most bases in the industry
- Also available as a foam-only base
- Noble waterproofing sheet membrane bonded directly to base
- Integration with FreeStyle Thin-Bed Drain
- Easily modified to various shower configurations
- Install with NobleBond EXT or modified thin-set mortar
