Thin-Line Accessories

These preformed accessories are ultra thin, flexible, and easy to install. Seals to protect against leaks in wet areas.

- Ideal for use with lap corners in waterproofing applications
- Install with modified thin-set or NobleSealant
- Excellent companion products to ValueSeal® and NobleSeal® waterproofing sheet membranes
- Can be installed before or after the sheet membrane
- Available packaged, bulk, and as a Combo Pack (includes 4 inside corners, 4 outside corners, 1 pipe collar, and 1 mixing valve collar)

Thin-Line Inside Corner

Thin-Line Outside Corner

Thin-Line Mixing Valve Collar

Thin-Line Pipe Collar
