

CTEF Installer Certification

hosted by

Noble Company hosts CTI Testing

Please register ASAP as space is limited.
CTEF Registration Form Attached.

Hotel accommodations provided by
Noble Company.

WHAT WILL YOU LEARN AT THE NOBLE WORKSHOP?

Noble Product Training will cover a variety of installation methods. Learn how sheet membranes are a key part of a system solution that addresses waterproofing, vapor permeation, mold reduction, crack isolation, and sound reduction. Review traditional full mortar bed method versus thin-bed method, as well as products and accessories necessary to produce a system that will give you a worry-free installation.

AGENDA

Thursday, April 5:

- 12:00 – 1:00 pm Lunch provided by Noble Company
- 1:00 – 3:30 pm Noble Workshop
- 4:00 – 5:00 pm CTI Testing Orientation
- 6:00 – 8:00 pm Dinner provided by Noble Company

Friday, April 6:

- 6:30 am – 4:00 pm CTI Hands-On Testing (continental breakfast and lunch provided by Noble Company)

FEATURING HANDS-ON DEMONSTRATIONS OF:

- NEW! ProBase II single-slope shower base system
- Traditional full mortar bed installations
- Thin-bed bonded installations
- Shower accessories
- ProBase® system

TRAINING LOCATION: Noble Company • 7300 Enterprise Drive • Spring Lake, MI 49456 • Phone: 800-878-5788
