### 3c. PROBASE II CUSTOM SHOWER BASE DIMENSIONS

A large grid for drawing a unique custom shower base shape. The grid consists of approximately 30 columns and 30 rows.

Draw your Unique Custom Base Shape on the graph to the left and include all base dimensions, including depth (if different from the standard depths).

Incorporate placement, shape, and size of drain, and if planning on using a linear drain, indicate the direction of the slope related to drain.

In the notes section below, include drain being used (FreeStyle Thin-Bed Drain, FreeStyle Linear Drain, Solutions Linear Drain, or Other)

Section 1 (contact and shipping information) and Section 2 (shower base selection) still must be completed before submission of this form.

Notes:

Large empty box for providing notes.

Price by Noble Company:

### 4. PROBASE II CUSTOM SHOWER BASE LEAD TIME

#### **72-Hour Lead Time Parameters and Eligibility - (Upon verification of approval, your order will ship within 72 hours)**

In order to be eligible for Noble Company's 72-Hour Custom Base Lead Time, the following parameters must be met:

- Base must be NON-waterproofed Multi-Slope™ (Single-Slope bases and Pre-Waterproofed bases are not currently eligible for 72-Hour lead time).
- Unique Configurations must have 5 sides or less
- Base side dimensions cannot exceed 100 inches
- On Multi-Slope bases, drain hole placement can not be less than 10 inches from the edge of the base to the center of the drain hole.
- Order quantity can not exceed 3 bases (Orders of 4 or more are not eligible for 72 hour lead time).

If your base does not meet the above parameters, refer to "Other Lead Time Parameters" section below.

#### **Other Lead Time Parameters**

Bases that do NOT fit into the 72-Hour Parameters will typically have a lead time between 5 days and 2 weeks. This includes:

- Pre-Waterproofed Bases
- Single-Slope Bases
- Unique configurations with more than 5 sides
- Base side dimensions that exceed 100 inches,
- On Multi-Slope bases, drain hole placement less than 10 inches from the edge
- Bases not designed for use with a Noble Company drain
- Bases with a non-standard thickness
- Quantity of 4 or more bases
