Curb Overlay

Solid Curb

Preformed Shower Curbs

A waterproof, lightweight, tileable shower accessory to simplify your installation. Used to create ready-for-tile curbs in wet areas in lieu of lath and mortar.

BENEFITS

- Convenient lengths (3', 4', and 5')
- Can be cut or combined to accommodate a variety of lengths
- Durable and lightweight
- Waterproof – not a food source for fungus or mold
- Curb overlay fits standard 2" x 4" construction
- Solid curb mounts directly to substrate
- Custom sizes available (50 unit minimum)

CURB OVERLAY

Available in 3', 4', 5', and 8' lengths

SOLID CURB

Available in 3', 4', 5', and 6' lengths
