## BENEFITS

*High-quality shower drains that create a watertight connection with the waterproofing sheet membrane. Premium components ensure dependable, long-term performance.*

- Clamping collar provides watertight connection
- Water flows directly into the drain without weep holes
- Low profile – ideal for barrier-free showers (ADA)
- Available with either square or round strainers in various finishes
- Quality construction helps ensure performance
- Meets plumbing code requirements

### Drain Components:

Stainless Steel Floor Flange  
with PVC body

Stainless Steel  
Clamping Collar

1-piece Strainer
